Advanced Analytical Consulting Group (AACG) Expands its Operations Capabilities

Meryl Baldwin joins AACG as Senior Manager

February 22, 2010 – [Advanced Analytical Consulting Group \(AACG\)](#), an economic, statistical, and computing consulting firm, is pleased to announce that Ms. [Meryl Baldwin](#) has joined the firm as a Senior Manager in its Boston office. Ms. Baldwin brings her expertise and extensive experience in business operations and financial management to AACG.

Formerly at Deloitte LLP, Ms. Baldwin served as chief of staff to the National Managing Director of eXtended Business Services (XBS) at Deloitte Consulting LLP, as well as to the National Managing Principal of the Economic and Statistical Consulting Practice at Deloitte Financial Advisory Services LLP. Ms. Baldwin provided strategic and operations management to increase operational efficiencies, and financial management to identify and implement cost saving measures and increase product line profitability. Prior to Deloitte, Ms. Baldwin provided litigation support and forensic investigation services to firm clients while at KPMG LLP.

“Meryl possesses a unique combination of analytical insight and practical skills drawn from her extensive business experience, which she uses to create incisive solutions to complex problem,” says AACG founder Dr. Daniel S. Levy. “We are delighted to have her join our rapidly growing team. She brings tremendous experience, professionalism, and knowledge to AACG’s strategy and operations and financial management initiatives.”

Ms. Baldwin holds a B.S. in Business Administration with a concentration in accounting from Bryant University. Previously, she was an active CPA for over 10 years.

About Advanced Analytical Consulting Group, Inc.

Founded by former Senior Managers and national leadership of the Economics and Statistical Consulting Group of Deloitte’s Financial Advisory Services in 2009, AACG provides economic, statistical and computing consulting for business decisions and litigation. AACG assists business clients with strategic and operational consulting based on in-depth quantitative analysis of corporate data and the client’s position in the market. AACG provides expert testimony, support for academic experts, and assistance in identifying the right expert from academic and business settings. From offices in Boston and San Francisco, AACG currently serves clients in Canada, Mexico, the UAE, the U.K. and the U.S. For more information, visit www.AACG.com.
